

ProSeries™

CITRA SOLVE H₂O₂

Citra Solve H₂O₂ is a ready-to-use multi-surface antibacterial cleaner that is powered by Hydrogen Peroxide so you can sanitize while you clean. The natural citrus helps cut grease and grime. Use to clean appliances, countertops, sinks, bathroom fixtures and ceramic tile. Can also be used on other surfaces; such as, metal, plastic and enamel. Spot test in an inconspicuous area.

Use/Benefits

- Ready to use
- Formulated with Green Seal approved materials
- Low VOC's
- Mild, natural citrus smell
- Sanitizes as it cleans
- Non-corrosive

Physical Properties

Appearance	-	Clear, colourless liquid
Odour	-	Citrus
pH	-	4.0 – 5.0
Specific Gravity	-	1.004

Recommendations

Spray onto surface. Leave for a few seconds. Wipe away with a damp cloth or sponge. For stubborn stains, let soak into the soil for 3-5 minutes before wiping. Works exceptionally well within a micro fiber cleaning system. Do not use on marble, painted surfaces or linoleum.
