manufacturing inc.

Keeping Canada Clean... Since 1969!

At Armstrong Manufacturing Inc., a family business in Canada since 1969, we are proud to present ourselves within the North American Sanitation and Cleaning Market as a full line manufacturer of trusted, high quality cleaning products.

Our Family has always strived to meet the specific and unique needs of our clients and their customers, whether through one of our trusted Armstrong Branded products or in private labeling and custom formulating for our clients distinct markets. With our family's and staff's commitment to the redevelopment of our business and facilities in Mississauga Ontario, we have advanced our capabilities to ensure that we are firmly poised in meeting the needs of our clients today and well into the future.

Our Family, which includes our staff, has always maintained that our products and services are "Filled with Pride". We are motivated by a deep sense of pride, nurtured by years of achievement; pride in our people; pride in our exemplary customer service; pride in our innovative products and in our impressive productivity gains. Simply put... **we take pride in all we do.**
