

StrongArm[™]

OxyCron

This white lotion cream cleanser stops the growth of odour causing bacteria while quickly removing embedded rust, soap scum, stains, grease, oxidation, hard water mineral deposits. **OxyCron** contains a mild abrasive much less harsh than scouring powder. Also, this pure white stable emulsion contains bleaching compounds, detergents and wetting agents with different disinfectants. A residual protective coating is left on the surface which provides a barrier against future odour and bacteria.

Use/Benefits

- Penetrates, deep scours.
- Brightens and polishes.
- Thick and clinging to vertical surfaces.
- Biodegradable.
- Pleasant scent.
- Non corrosive to steel, stainless steel, aluminum, chrome.

Physical Properties

- | | | |
|------------------|---|--------------------|
| Appearance | - | White thick liquid |
| Odour | - | Minty fresh |
| Specific Gravity | - | 1.28 |
| pH | - | 4 – 5 |

Recommendations

Cleans, polishes, and deodorizes the following surfaces: porcelain, enamel, metal, stainless steel, urinals, rubber, plastic, sinks, bathtubs, chrome, drinking fountains, tile, walls, floors, formica, toilets, fiberglass. Squeeze a small amount directly onto surface to be cleaned. Loosen soil or stains with rubbing action using a cloth, sponge or brush. Rinse with water. For metal surfaces, polish with a soft dry cloth to create a bright shine.
